

# IMPRESSIONS

Inspirada na beleza e encanto da loiça antiga, a coleção IMPRESSIONS traz de volta à mesa o estilo clássico e intemporal de uma forma não convencional. As cores suaves e os detalhes da sua superfície marmoreada e rebordo, criados manualmente, proporcionam um estilo elegante e eclético perfeito para uma mesa sofisticada com uma suave informalidade.

Inspired on the beauty and charm of antique dinnerware, IMPRESSIONS brings back classic and timeless style in an unconventional way. Soft colors and the textured finish details with a hand-sponged glaze and an antiqued border provide just the elegance you need for a sophisticated table with a casual look.
